

To all Awarded Grant Recipients:

With the novel coronavirus (COVID-19) now declared a global pandemic, we are well aware the next few weeks will bring much uncertainty. The DTEDTA is in full support of our community events and our priority is to make sure that events continue. However, we are aware some of these events may need to be rescheduled.

***If that is the case with any of your events currently funded with grants received through DTEDTA, please inform us as quickly as possible so we can make the needed updates on our end.***

Sincerely,
